SMART Objectives and Activities

Please list 3 SMART objectives for the grant year, with 2-3 SMART activities that will support each objective.

SMART = **S**pecific, **M**easurable, **A**ttainable, **R**elevant, and **T**ime-bound.

An example of a SMART objective with two activities is listed below. For more information about SMART objectives, visit this link.

Reports to the Street Medicine Institute at 12 and 24 months must include measurements of progress in each of the activities you select towards your three objectives. Please keep your objectives and activities brief.

Example:

Objective	Activity	Activity	Activity
In the next year, the street medicine team will increase the number of patients treated from 15 to 60.	The street medicine team will increase street rounds from 1 day per month to 4 days per month by October 2023.	The street medicine team will purchase wound care supplies and provide wound care to 15 patients in the next year.
